

HA4K Wraparound Uncollected Children Policy

HA4k endeavours to ensure that all children are collected by parents or carers at the end of each day. If a child is not collected and the parent / carers has not notified us that they will be delayed, we will follow the procedure set out below:

Up to 15 minutes late:

- We will call the parents for an update on their arrival.
- When parents / carers arrive, they will be reminded that they must call the club to notify us if they are going to be delayed.
- The parents / carers will be informed that penalty fees will have to be charged (unless the delay was genuinely unavoidable) if there are repeated late collections.

Over 15 minutes late:

- If a parent / carer is more than 15 minutes late when collecting their child, we will try and contact them using the contact details available.
- If there is no response from the parent / carer a voice mail will be left as well as a message requesting that they contact the club immediately, the manager or session lead will then try to contact the emergency contacts listed on the child's registration form.
- While waiting to be collected, the child will be supervised by 2 members of staff.
- When the parent / carer arrives, they will be reminded that they must call the club to notify us if they are delayed and that penalty fees of £10 for every 15 minutes will have to be charged (except in exceptional circumstances).

Over 30 minutes late:

- If the manager or session lead has been unable to contact the child's parents / carers after 30 minutes the club manager will contact the local social care team for advice.

- The child will remain in the care of the club's staff on the club premises if possible until collected by the parents / carers, or until placed in the care of social care team.
- If it is not possible for the child to remain at the club's premises a note will be left on the door of the club informing the child's / carers where the child has been taken this will be also left on a voice mail to the parents / carers to explain the events.

Managing Persistent Lateness:

The manager or session lead will record incidents of late collection and will discuss them with the child's parents / carers. Parents / carers will be reminded that if they persistently collect their child late, they may lose their place at the club and the above fee may be charged.
